Read the following .-

Letter from Khan Bahadur J. Hussain, Bar-at-Law, Collector of South Kanara, R.O.C.No. 8940-31-A.6 dated 8th January 1932.-

The Lord Bishop of Mangalore has applied for the assignment of S.Nos. 176/4, 191/2 and 192/2 of Beltangad village measuring A.C 0.22. A.C 1.57 and A.C 2.54 respectively.

2. [illegible] these three plots S.No. 176/4, though kumaki to the Bishop's kadim lands does not contain any -- improvements or tree growth. A small portion of it falls

falls within 22 yards from the centre of the Mangalore-Dharmadi road. As the Deputy Tahsildar, Beltangadi reported that the plot is necessary for the public, I rejected its assignment.

3. The second of the three plots namely S.No. 192/2 does not contain any improvements, and is devoid of any tree growth. The major portion of it forms kumaki to the Bishop's kadim lands. Its assignment is reported to be unobjectionable. Sketch on page infra

4. S.No. 191/2 formed the subject of contention between the Lord Bishop of Mangalore, and the neighbouring wargdar kalkani Vaman Bhatta. Mr. Wells inspected it in 1927, and in view of the large extent of land owned by the Bishop in the neighbourhood, and with a view to locate on it a depressed class settlement not controlled by the Church authorities, considered it best to leave the plot unassigned. The question of assignment of this very plot was again opened in 1930, when the Revenue Divisional Officer, Puttur after personal inspection recommended the dropping of the proposal, as it was once settled by the Collector after personal inspection. The Deputy Tahsildar, Beltangadi now reports that a portion of this plot subdivided as 191/2C (37 cents) lies within a wall enclosure, and contains 2 mango, one jack tree about 20 years old, 22 arecanut plants 4 years old, and a small portion of the tank which is in S.No. 191/3. Sketch on page 5 infra

5. I therefore recommend that the Board may be pleased to move the Government to accord necessary sanction for the assignment of S.No. 192/2, and the portion subdivided as 191/2C

containing

containing the improvements, in the name of the Parish Union of the Diocese of Mangalore. The Lord Bishop consents for the assignment of the plots in the name of the Parish Union of the Diocese of Mangalore.

6. The Union holds 56.59 of land in this district, and its market value is estimated at Rs. 3120/-.

7. The records of the darkhast case, with eye sketches in duplicate are enclosed.
